YOUR CALL TO ACTION:

Walk With A Purpose: Make the EverWalk Mile a Daily Habit.

WHY WALK? AND WHY EVERYDAY?

“Sitting is the New Smoking”: Break the habit of sitting by creating a new habit: The EverWalk Mile

EverWalk believes that the unfortunate American pastime of sitting can be liberated by the simple, infinitely pleasurable act of walking. Walking even a short distance stirs our happy endorphins. prompts us to consider our lives and our dreams, puts our bodies into the motion they need.

“Your words become your actions. Your actions become your habits. Your habits become your values. Your values become your destiny.” Mahatma Gandhi

WHAT DO I DO?

- Make the commitment to walk one consecutive mile every single day. (This will take 15–30 minutes, depending on your speed and stride.)
- Cross off each day that you walk the EverWalk Mile on our downloadable calendar or track it on our virtual Walker Tracker app. (see the last page of this PDF for updates)
- Join the EverWalk Mile Club on the Nation Network to keep yourself accountable and to find encouragement.

ACCOUNTABILITY

- The EverWalk Mile is for YOU! Don't cheat on yourself. A mile is a mile — inside or out. It's not the total number of steps you walk in a day between the sofa and the fridge. LOL!
- You are making a daily commitment to yourself to walk a mile without stopping, if at all possible.

ENCOURAGEMENT

- Find an EverWalk Mile buddy on the EverWalk Mile Club on the Nation Network. Or reach out to a friend or family member to walk with you — in person or virtually.

INCENTIVES

- Everyone who joins the EverWalk Mile Club and commits to making the EverWalk Mile a daily habit will receive coupons/discount codes for healthy products.
- In August & September, we will hold a drawing. Two EverWalk Milers will have the chance to be coached by EverWalk founders Diana Nyad & Bonnie Stoll. All you need to do is join the EverWalk Mile Group and commit to walking a mile a day.
- Become a member of the 110.86 Mile Club: Studies show that it takes approximately 90 days to create new habits. Set a goal: Over the course of four months, walk a mile for 111 days and you will join this exclusive EverWalk group — and receive a 110.86 Mile Club sticker! 110.86 miles is the distance Diana Nyad swam from Cuba to Key West — at 64 years old on her fifth try! Once you've succeeded, you can mentor other aspiring EverWalk Milers.

CELEBRATE YOURSELF

- Post photos of your EverWalk Mile on our EverWalk Mile Group Page, our Facebook Group Page, or on your own social media pages. Hashtag #EverWalkMile
